700 MHz Access Service

The charges associated and incurred with Plains Cooperative Telephone Association, Inc. are:

Monthly 700 MHz Access Service **\$44.95** (speeds up to 512 Kbps)
or
\$54.95 (speeds up to 768 Kbps)

Installation **\$99.00**

700 MHz requires an installation fee of \$99.00 and a 12-month service commitment. The equipment will remain the property of Plains Telephone. If service is terminated before the Service Commitment expires, the equipment must be returned and the remaining Service Commitment paid in full.

Should the 700 MHz not be available for return to Plains Telephone, the customer will be assessed a charge of

\$495.00 700 MHz equipment

\$ 14.36 tax (2.9%)

\$509.36 total
