# Find the Flowers

Take a good look at the little picture of the flowers to the left. If you look hard enough, you'll find a smaller version of that picture hiding some place in this newsletter. When you see it, just pick up the phone and call to let us know that you found it. We'll hold a drawing 2 weeks after mailing and all of the names of those who let us know they found the flowers will be entered into a drawing for a \$20.00 credit on your phone bill. Remember...find the flowers then pick up your phone to call us at 358-4211 and tell us that you found them. We'll put your name in a drawing for this publication and you could be a winner. We'd also like to encourage you to call from your Plains Telephone landline. Don't forget, it's always a local call from your landline to 358-4211.

The winner of a \$20.00 bill credit for the "find the flake" drawing was Steve Wenger of the Eckley area. We hope you'll take a look at a couple of Steve's great photos in our 2017 "Critter" calendar, on the May and November pages.

**Congratulations, Steve , and thanks for being such a great customer!**
